

AUDUBON MUSEUM RENOVATION

General Improvements:

- Create space for mens and womens changing rooms
- Create unisex restroom for public use
- Renovate trails restrooms to a more usable restroom space

ADA Improvements

- Replace main entry door knob with lever hardware.
- Replace the non-wheelchair accessible portable toilet unit located at the south end of the main parking lot near the MKT trail access point
- Install a braille/tactile ADA restroom sign at the latch side of both entry doors
- Replace the non-accessible lavatories with an ADA compliant lavatories meeting ADAAG 4.19
- Lower mirrors to be no higher than 40" a.f.f. to bottom reflective edge
- Lower one urinal so that the front lip is no higher than 17" a.f.f
- Reconfigure the toilet stalls to meet ADAAG Fig. 30 (b)
- Modify showers to meet ADAAG 4.21 and Fig. 35 (b)
